

Portable projection screens

Proven quality for years of easy operation

The Professional, ProView and Mistral have become the all-time favourites in Projecta's range of tripod screens. Each one is a high-quality screen with proven construction, ensuring years of trouble-free, easy operation. Thanks to small differences between the screens and the wide range of screen fabrics available, there is a professional solution for every projection application.

Proven quality.

Black borders add extra contrast to the image.

Tension button mechanism for perfectly flat screen.

Easy continuous height adjustment.

Accessories:

- ▶ Protective sleeve

See page 34/35 for further details.

Professional

- ▶ Projecta's best-selling tripod screen.
- ▶ Sturdy overhead bracket.
- ▶ Easy foot-controlled tripod unlocking.
- ▶ Screen lock to protect the projection screen during transport.

ProView

- ▶ High-quality screen with excellent price/performance ratio.
- ▶ Standard black borders on both sides.
- ▶ Integrated OHP bracket.

Mistral

- ▶ Specifically designed for slide projection.
- ▶ Standard black borders on both sides.
