

## LBB 3530/00

### Delegate Discussion Unit

- Compact, attractive delegate discussion unit
- Microphone with flexible stem
- Built-in loudspeaker
- Two headphone sockets

The LBB 3530/00 is the standard delegate discussion unit, enabling participants to speak, register a request to speak, and listen to the speaker. The microphone stem is extremely flexible, so the microphone can be used by delegates sitting on either side of the unit, thus allowing one unit to serve two delegates. The unit also accommodates two separate headphones, so the speaker can be heard clearly even in situations with excessive background noise. This aesthetically-pleasing unit has a built-in loudspeaker which is muted when the microphone is on to prevent acoustic feedback.

### Controls and Indicators

- Microphone with light-ring indicator, built-in pop- and windshield, mounted on a flexible stem
- Loudspeaker, automatically muted when microphone is on and /or headphones are connected
- Microphone on/off button
- Microphone on/request-to-speak bi-colour LED indicator (red-microphone on, green-request to speak)
- 6-pole circular socket for loop-through connection to other DCN system units.
- 2 x 3.5 mm (0.14 in) jackplug socket for headphone connection.
- Rotary volume control for headphones
- Recessed microswitch for resetting the units address (de-init). (For more information, please refer to the DCN Installation manual.)
- 2 m (78.74 in) long cable terminated with a 6-pole circular connector for loop-through connection to other system units.
- Cable relief bracket located at rear/under of the unit. Removable for use when feeding the 2 m (78.74 in) long cable through a table-top.

### Technical data

Mounting	table-top (portable or fixed mounting)
Dimensions (H x W x D)	63 x 124 x 172 mm (2.48 x 4.88 x 6.77 in)(without microphone. Height is 127 mm (5.0 in) with microphone in horizontal position)
Length of microphone from mounting surface	313 mm (12.32 in)
Weight	0.9 kg (1.98 lb)
Colour	charcoal (PH 10736)
